# NATIONAL LIBRARY WEEK

APRIL 3-9, 2022

"Libraries are places where communities connect—to things like broadband, computers, programs and classes, books, movies, video games, and more. But most importantly, libraries connect us to each other."

**MOLLY SHANNON**  
NATIONAL LIBRARY WEEK HONORARY CHAIR

CONNECT WITH YOUR LIBRARY

National Library Week takes place from April 3 - 9. This year the Huntley Area has a lot to celebrate! Users of the library already know that the library is a place to connect not only to borrow items like books, movies, video games, and more, but with the all-new Huntley Area Public Library, it is a place to connect with people and explore what's available with a Huntley Area Public Library Card. Here are some examples:

- Connect with an instructor in the Tech Lab to get help job searching and tweaking your resume and cover letter
- Connect with others in the library's Creative Studio and learn about the latest technologies, while exploring your artistic side
- Connect with our Children's Library staff for story times, crafts, family programs, and more
- Don't have a computer at home? Connect with our free to use public computers
- Need to send a fax, scan a document, print important files? Connect with our Print, Fax, Scan & Copy station
- Working on a school project? Connect with your partners in our Collaborative or Conference Rooms. Reserve one today
- Need a quiet place to work or read? Connect with a peaceful environment in the all-new Quiet Room
- Connect the dots on your own projects in one of five study rooms
- Connect with the world and record an audio or video podcast in the library's Recording Studio
- Coming soon -- connect with friends in the all-new gaming room

For those who haven't visited for a while, the library isn't just about books. It is a destination spot for the entire community to enjoy and explore. Where else in the world can you borrow before you buy, attend programs for all ages at no cost, and get first-hand experience with some of today's hottest tech? The library.

This year, multiple Emmy-nominated and Spirit Award-winning actress, comedian, and legendary Saturday Night Live cast member, Molly Shannon will help celebrate our nation's libraries as the honorary chair of National Library Week, April 3-9, 2022. Shannon will highlight the numerous ways libraries serve to connect communities to books, resources, programs, and, of course, each other. "I am so honored to serve as honorary chair of National Library Week for 2022. My mom was a librarian. She encouraged kids to read. So, the work of librarians and libraries has such a special place in my heart," Shannon said. "Libraries are places where communities connect—to things like broadband, computers, programs and classes, books, movies, video games, and more. But most importantly, libraries connect us to each other. Supporting National Library Week in this role allows me to connect to my mother's memory and all the librarians out there. Thank you for everything you do."

Stop in, get a library card, or use the one you have to see how libraries transform people and connect you to endless opportunities. Celebrate your library. Thank you again Huntley Area, you made this happen.

#### Did you work or shop at Marshall Fields?

Have you eaten in the Walnut Room or admired the Christmas windows? You'll love this program! Marshall Field narrates the story of the fastest growing city in the world - the Queen City of the Midwest. Learn more about Potter Palmer of the Palmer House, Mayor W. Ogden, Harry Selfridge, George Pullman, John G. Shedd, Daniel Burnham, Medill of the Tribune, and how Field became the greatest merchant in the country.

### Corner Books

Now located in the northeast wing of the library just beyond the public computers! A great selection of gently used books for sale. Paperbacks start at \$1, Hardcover books start at \$2. This fundraiser benefits the Friends year-round and helps us fulfill our mission to support the Huntley Area Public Library.
