We Are a Fine Free Library!

Library users no longer pay fines for returning materials after their due date! You will see a due date on your receipt when you borrow items, and that's because yes, we do want them back. Everyone still needs to return items and keep them in good condition for the next borrower.

Please note these important Check-Out Policies:

- You will get reminder notices when an item is due for return
- If something is more than 2 weeks overdue, you will be unable to check out or use digital services until the item is returned
- If an item is more than 45 days past due, your library card account will be billed the replacement cost for your item. At this time a nonrefundable \$9 fee may be assessed. You may either return the item or pay the bill to replace it
- You will be charged for lost or damaged items
- If you locate a lost item within 30 days after paying to replace it, you may receive a refund

These steps ensure that everyone still returns their items in a timely manner and other people will have access to them.
