Getting Started with Libby

- The first time you open the Libby app, follow the prompts to find your library and sign in with your library card.
- Go to “Library” to search or browse for a title to check out. Titles that are available will say “**Borrow.**” If no copies are available, titles will say “**Place Hold**” and you will be added to the wait list.
- When you find an available title, tap **Borrow** to check it out or tap on the cover to learn more about the title.
- After tapping **Borrow** a confirmation page appears. You can change your lending period by tapping on the # of days. Tap **Borrow!** to confirm the checkout.
- Start reading or listening by tapping **Open Book** or **Open Audiobook**. Or tap **Keep Browsing** to search for more titles to check out.
- All titles automatically download into Libby while you are connected to wi-fi.
- Check out up to five titles at a time and place up to seven holds.
- If you place a hold, you will be notified by email when your hold is available. Holds are automatically checked out to you and will appear on your Shelf.

Helpful Hints

- When browsing Digital Library of Illinois in the “Library” view:
Tap + **Preferences** to modify your default search settings.
- In your Shelf, tap on “Manage Loan” to:
Renew a title two days before it’s due. If there are holds you will be placed on the wait list.
Return a title early.
- When reading or listening to a title, tap the center of the screen to access the App menu: 
For a book, tap “Reading Settings” to adjust font style and size.
Tap “Tips & Secrets” for tips on using reading or listening features in the app.
- Access the Libby menu by tapping on: 
Tap “See Library Cards” to add another library card.
Tap “Add a Library” if you belong to another library.
